

Heated Towel Rails

Overview

Committed to innovation, whilst at the same time being energy efficient, Warmup's range of traditional and contemporary towel rails offer a solution to cater for all preferences, lifestyles and budget.

There are three sizes of heated towel rail available - two round, straight rail versions (680mm x 450mm and 800mm x 600mm), and a round, curved rail version (800mm x 600mm).
