

Product Description: X7™ Fixed 7W Fire Rated Downlight

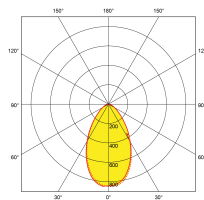

Introducing the latest fire rated IP65 downlight to the Aurora portfolio, the X7™ comes complete with a plastic white bezel (satin nickel and polished chrome available separately) and integrated driver with loop in/loop out terminal block. The X7™ is an LED integrated fixed IP65 downlight delivering up to 89lm/W with an overall height of only 58mm, making it ideal for shallow ceiling voids.
