

WMGKS

IP20

20A Double Pole Key Switch

Technical characteristics

Architecture

| | |
|----------------|---|
| Number of keys | 0 |
|----------------|---|

Main electrical features

| | |
|-----------|----------|
| Frequency | 50/60 Hz |
|-----------|----------|

| | |
|---------------|------|
| Rated current | 20 A |
|---------------|------|

Dimensions

| | |
|-------|-------|
| Depth | 24 mm |
|-------|-------|

| | |
|--------|-------|
| Height | 60 mm |
|--------|-------|

| | |
|-------|-------|
| Width | 25 mm |
|-------|-------|

Materials

| | |
|--------|-------|
| Colour | white |
|--------|-------|

| | |
|----------|-------------------|
| Material | Urea-formaldehyde |
|----------|-------------------|

Equipment

| | |
|----------|-------------------|
| Lighting | without neon lamp |
|----------|-------------------|
