

Orion20 LED 3000K 9.6W/M 5M 48W

99002

99002

The Orion20 LED is a IP20 rated, 24V warm white LED flexible strip light, which is easy to install due to the 3M self-adhesive backing. The Orion20 LED produces 9.6W with 120 LED's per metre making this very energy efficient. Orion20 LED is adaptable and flexible to suit your lighting requirements, you can cut the tape every 6 LEDs and reconnected as required. The Orion20 is ideal for accent or mood lighting around your home or any commercial space. Supplied on a 5m reel. Accessories sold separately.
