

WPSU83FO

13A FCU Unswitched with Flex Outlet

Technical characteristics

Main electrical features

Rated current	13 A
---------------	------

Fuse

Fuse	with ceramic fine fuse F 13A
------	------------------------------

Dimensions

Height	86 mm
Width	86 mm

Materials

Colour	grey
Material	metal

Cable

Wiring	with double earth connection
--------	------------------------------

Scope of delivery

Component	with 2 fixing screws M3.5 x 20 mm and M3.5 x 30 mm each
-----------	---

Standards

Standard	BS 1363-4
----------	-----------

Safety

Protection	to protect downstream loads
------------	-----------------------------
