

WMGSU83N

### 13A Unswitched FCU with Indicator

#### Technical characteristics

##### Main electrical features

Rated current	13 A
---------------	------

##### Fuse

Fuse	with ceramic fine fuse F 13A
------	------------------------------

##### Dimensions

Depth	32 mm
Height	60 mm
Width	25 mm

##### Materials

Colour	white
Material	Urea-formaldehyde

##### Cable

Wiring	with double earth connection
--------	------------------------------

##### Standards

Standard	BS 1363-4
----------	-----------

##### Safety

Protection	to protect downstream loads
------------	-----------------------------
