Endura is a robust and efficient LED batten range, designed for high performance with reduced energy consumption. Constructed from durable polycarbonate and IK08 impact rated, it's built to withstand demanding environments. Dual wattage functionality offers added versatility, while conduit knockouts on the sides, front and back ensure flexible installation. CCT technology gives you the option of 3000K, 4000K and 6500K. Available in 4ft, 5ft, and 6ft lengths. Emergency maintained and non-maintained fittings.

Frosted & grey pc
