

MZ528N

Under voltage release for motor starter 230V AC

Technical Features

Power

Inrush power absorbed	5 VA
-----------------------	------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Use conditions

Operating temperature	-25 - 55 °C
-----------------------	-------------

Voltage

Command voltage AC	230 - 230 V
Command voltage DC	0 - 0 V
Rated insulation voltage Ui	6000 V
Type voltage supply	AC

Functions

Delayed	No
---------	----

Dimensions

Width	17.50 mm
Depth	68 mm

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
