# ChromaFlex LED Strip 5 in 1 Control

AU-ST5C

## Photometrics

**Wattage** 480 @24VDC

## Product Features

**Brand** Aurora  
**Warranty** 3 Years  
**Country of Origin** CN

## Electrical Specification

**Input Voltage (Min)** DC  
**Input Voltage (Max)** 24V  
**Output Voltage** DC  
**Input Voltage Type** DC  
**Operating Temp. (Min) °C** -20  
**Operating Temp. (Max) °C** 40

## Physical Attributes

**Length (mm)** 10mm  
**Width (mm)** 45mm  
**Height (mm)** 17mm

**Material** PC+PCB

**Finish Colour** White

## Features

**Marketing Feature 1** Single Colour, CX, RGB, RGBW & RGBCX control

**Marketing Feature 2** RF receiver

**Marketing Feature 3** Single Press to identify strip

**Marketing Feature 4** Double Click to pair remote

**Marketing Feature 5** Push Dim wiring option (On / Off & Dimming)

**Marketing Feature 6** Easy to use push lever terminals

**Marketing Feature 7** 3 year warranty
